

# UNITED IN *OUTRAGE*

THE RESISTANCE MARCH • MONDAY, SEPTEMBER 23RD 5:30PM • BRYANT PARK, NYC

The evening before Trump speaks to the United Nations, we'll march peacefully, **UNITED IN *OUTRAGE***, protesting the injustices of the administration, its accomplices, its supporters, and the harm done in its name.

*We call on all resisters, all resistant communities to come join us!*

## **GATHER in Bryant Park at 5:30PM on 9/23 MARCH to Washington Square Park**

*With the eyes of the world on NYC and the UN, we march to show that:*

- **Trump does not speak for us.**
- **We are taking our country back.**
- **We are fighting for justice for all.**
- **Everyone is welcome in NYC.**

**UNITED IN *OUTRAGE*:** The Resistance March is a peaceful, nonviolent action open to all: everyone is welcome.
